

# HEDDINGHAM CASTLE

A UNIQUE CONFERENCE & MEETINGS VENUE

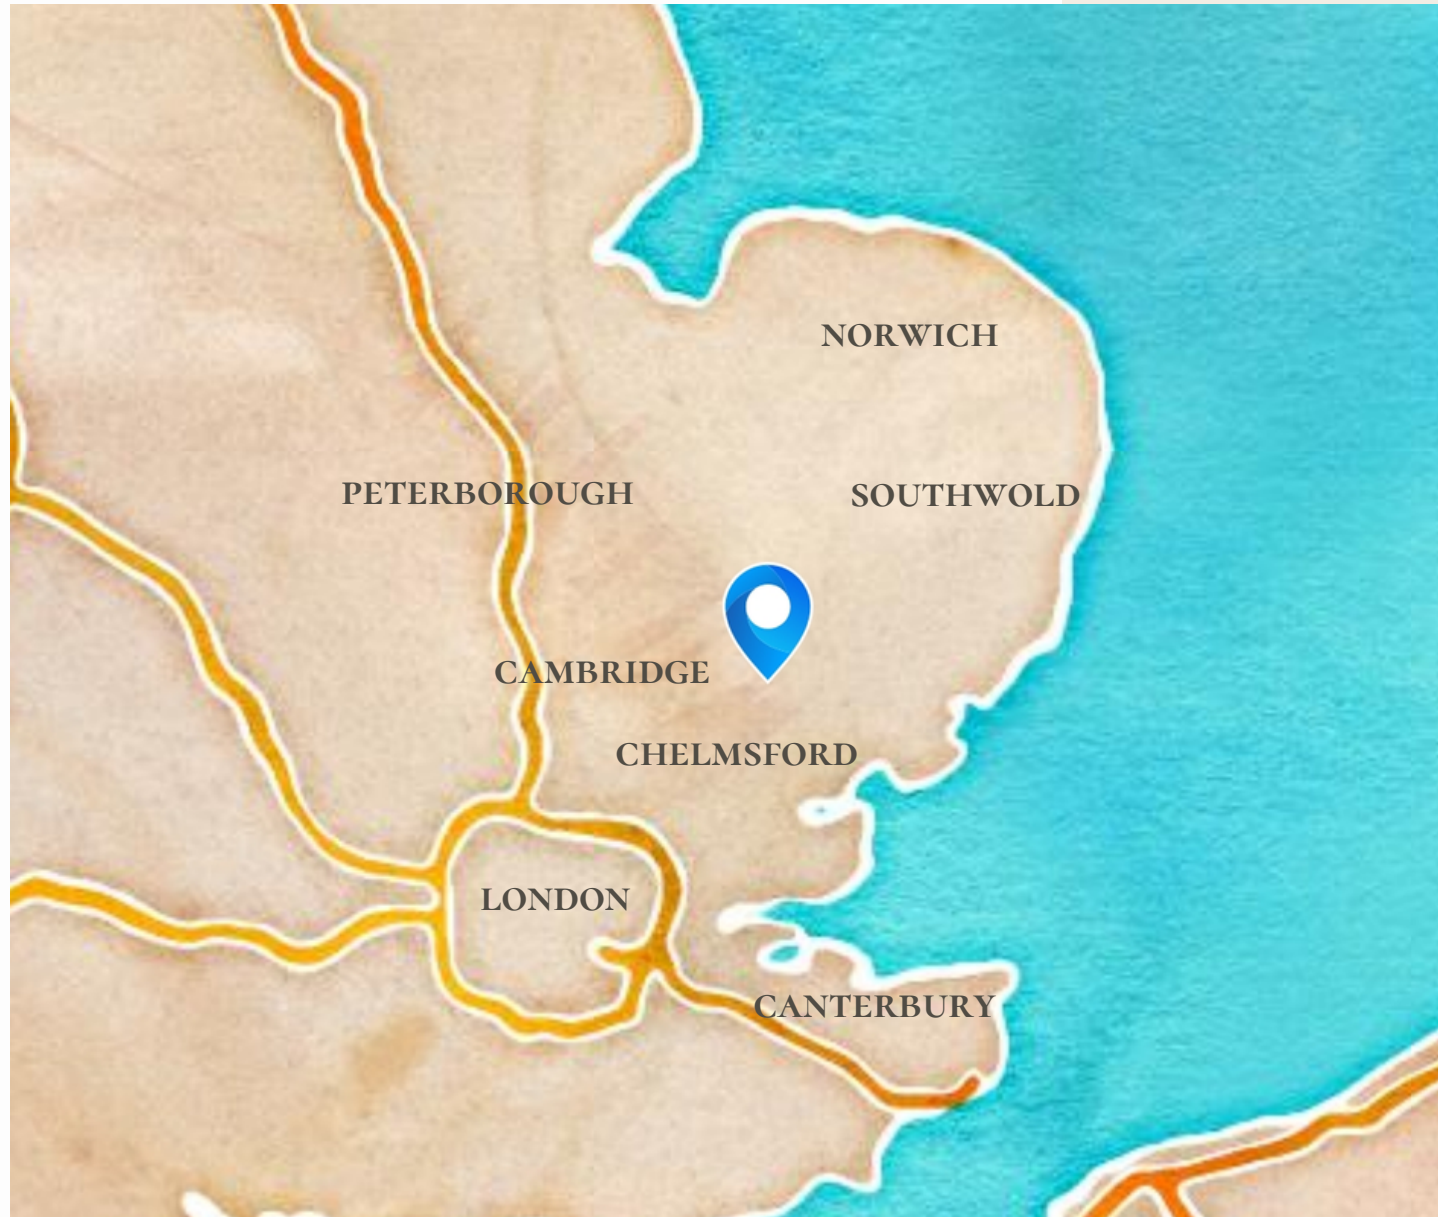

## ABOUT US

Founded by the de Vere family in the 12th century and situated within 160 acres of private parkland and lakes, Hedingham Castle is the best-kept Norman Keep in the country and the perfect backdrop for a successful conference, team building event, meeting or corporate show.

The estate remains privately owned by the Lindsay family, direct descendants of the de Veres and, alongside the 12th century Castle, features a beautiful 17th century Georgian Country House and a selection of charming accommodation options, all in a magnificent setting.

We specialise in outstanding events that combine a unique heritage with a remarkable location and the highest standards of service for lifelong memorable experiences.
